

The Ministry of Industry and Commerce works to ensure that CR holders comply with licensing requirements for the **“Retail Sales via Internet” activity – ISIC4 Code 4791**

The following requirements are mandatory to avoid receiving violation of activity’s licensing requirements:

The link of the eStore must be provided in “eStore/eMarketplace Address” field in Sijilat system

Provide an active shopping eCart

Provide a secured online payment method

Returns & refund policy, terms of use policy and user data protection policy

Provide goods delivery service to the consumers

**Trading in the products that require approvals from the related entities is prohibited for those practicing “Retail Sale via Internet” activity through a virtual CR “Sijili”**
